I am pleased to recommend Ray DiFiore for reappointment to the Greater Lawrence Sanitary District. A longstanding and highly respected member of the community, Mr. DiFiore has dedicated decades of service to municipal government, including serving as Director of Public Works for both Methuen and Lawrence. His deep institutional knowledge of public infrastructure, utilities, and regional collaboration is complemented by his continued civic engagement, as he remains actively involved on numerous committees throughout the Merrimack Valley. In addition, he currently owns and operates his own consulting business, bringing a practical, solutions-oriented perspective informed by both public- and private-sector experience.
